Distribution and Supply Chain Network

The Group is represented regionally through a retail branch network with its Partners. We have formed long standing relationships with reputable and trusted ISO manufacturers and suppliers of the various products over a period of 30 years. We source from every corner of the world to meet our project needs. Some of our key suppliers include Lafarge, Bosch, Lasher, Everite and Pro-roof.

We have developed partnerships with some of the largest logistics group within 7 Sub-Saharan African countries, to enable warehousing, packaging and distribution of our products, reaching a distribution line of 2500 tons per month.

We have a well-established logistics footprint in Africa that provides our clients with premier end-to end services including purchasing, customs clearance, duties and general administration.

With our trusted network, we endeavour to ensure effective and efficient service delivery with excellent turnaround time.

Our Partners

iZintoZeAfrika has an established relationship with that principle, allowing endless access to major supply chains. Our commitment to procuring the most appropriate and highest quality products is guaranteed. We are well known in the export market and are respected as a major choice for South African distributors.

For Africa, iZintoZeAfrika is the exclusive distributor for Etex South Africa, Assa Abloy, Maksal Tube, Glotool, Alif Doors, Franke Kitchens South Africa, and Darachem. Izinto Ze Africa's business model allows us to specialize and focus on the decisive range of products in the hardware, construction, and large project sectors.

Our Team

iZinto Ze Afrika is led by a team of executives and team leaders with vast experience in Supply Chain Management, Construction, Business Administration, and Marketing, in several African countries, dedicated to delivering world class service to all customers.
